

February 12, 2010

To: [Insert Sponsor Here](#)

Thank you for supporting the White Mountain Chapter Driving events. For 2010 we've streamlined our process in an effort to help you plan your year.

We're offering several different driving events ranging from Street Survival clinics for teenagers, Advanced Driving Skill clinics and high performance driving schools throughout the calendar year for your consideration..

Detailed below please find what the chapter is offering in return for your support.

What we provide to you as a sponsor for each of our events:

1. Preceding and following the event we will place your logo* on our rotating banner on the White Mountain Chapter website. This will be available for 30 days preceding the event and 60 days following. The rotating banner is displayed on every page of our website.
2. A link to your company website and brief description** of the service you offer will be placed on our sponsorship page for the duration listed above.
3. Mention of your support at the drivers meeting the day of the event
4. Banner/Display space during the event. Sponsors may choose to have a company representative at the event to promote themselves.
5. Two available student slots will be made available to the sponsor to designate to the persons of their choosing.***

Enclosed; please find our 2010 sponsorship contract. Please select the events you will be supporting and return the form to us. You can submit the form multiple times throughout the year if you are unsure of all the events you'd like to support. In order for us to provide the above listed services to you we will need the form on file for the event.

THANK YOU FOR YOUR SUPPORT!

*subject to approval and website requirements

** 500 characters and subject to approval

***Students selected by sponsor must register using the on-line registration via our website and sponsor must inform the chapter of their identity prior to the event. Students must also meet the same requirements and limitations as anyone else attending the event. Slots are event specific and are non-transferable to future events.

White Mountain Chapter BMW Car Club of America, Inc.
 PMB 175, 855 Hanover Street, Manchester, NH 03104-5419
